

# Final Project Submission Checklist

**Congratulations on finishing the final project!**

**Please submit the screenshots (for Prompts 1 - 9) to get your peer assignment reviewed.**

You will be graded as per the following rubric (20 points):

**Task 1:** Have you taken a screenshot of the “NAME” appearing in the top-left corner and styled it as shown in the sample image and saved it as **profile name.png**.

**Task 2:** Have you taken a screenshot and saved it as **nav\_bar.png** which shows that the navigation bar has all four options (About, Project details, Skills, Recommendations), the font becomes bold on hover, text is underlined.

**Task 3:** Have you taken a screenshot and saved it as **aboutme.png** which shows that the “About Me” section has a unique profile image, name & text reflecting a summary of learners profile.

**Task 4:** Have you taken a screenshot and saved it as **skills.png** which shows that 3 new skills have been added by the learner and all 5 skills (including the 2 present earlier) are appearing with logo & text in the specified format.

**Task 5:** Have you taken a screenshot and saved it as **projects.png** which shows that there are 3 Project details that are styled, changed from the default ones given in the sample, and listed as specified in the sample image.

**Task 6:** Have you taken a screenshot and saved it as **recommendations.png** which shows that there are 3 recommendations that are styled, changed from the default ones given in the sample as specified in the sample image.

**Task 7:** Have you taken a screenshot and saved it as **new\_recommendation.png** which shows that when a new recommendation is provided, it gets added to the existing list of recommendations.

**Task 8:** Have you taken a screenshot and saved it as **home\_icon.png** which shows that the Home icon appears as specified in the sample image.

**Task 9:** Have you taken a screenshot and saved it as **popup.png** which shows that upon submitting a recommendation, a pop-up appears having a confirmation message as show in the sample image. Eg., “Thank you for submitting a recommendation!”
